#### √Narrative

I would like to appeal the decision on the attached RFCDL. This RFCDL is related to the appeal (#131352, attached) I filed to increase the funding of FRN 1799101364. As you can see this appeal was denied as the appeal was filed over 60 days after the FCDL was issued. This FCDL was issued on 12/29/17 but because the ground was frozen, the vendor was not able to start working on the fiber project until the spring of 2018 (more than 60 days after the FCDL was issued). Additional costs were determined necessary as work was being completed (see attached change orders 1-7). There was no way to know these additional costs would be incurred until the work was being completed - more than 60 days after the FCDL was issued. You will note that these change orders are dated June of 2018 through November of 2018. I filed the appeal in December 2018 to ask for an increase in funds related to these change orders.

I ask that you reconsider approving this appeal, as the timing of these change orders and the subsequent appeal date was out of the control of the school district. Without these change orders the vendor would not have been able to complete the approved work.

Revised Commitment Amount	\$1,359,757.60

### What is in this letter?

Thank you for submitting your post-commitment request for Funding Year 2017 Schools and Libraries Program (E-rate) funding. Attached to this letter, you will find the revised funding statuses and/or post commitment changes to the original Funding Commitment Decision Letter (FCDL) you received. Below are the changes that were made:

Appeals

The Universal Service Administrative Company (USAC) is providing this information to both the applicant(s) and the service provider(s) so that all parties are aware of the post-commitment changes related to their funding requests and can work together to complete the funding process for these requests.

## **Next Steps**

File the FCC Form 486, Service Confirmation and Children's Internet Protection Act (CIPA)
 Certification Form, for any FRNs included in this RFCDL, if you have not already done so. Please
 review the CIPA requirements and file the form(s).

**BEN:** 132953

**Post Commitment Wave: 50** 

 If USAC approved funding on an FRN in your original FCDL, the deadline to submit the FCC Form 486 is 120 days from the date of the original FCDL or from the service start date (whichever is later).

- If a new FRN was created for this RFCDL or funding was not approved on an FRN in your original FCDL but is approved in this RFCDL, the deadline to submit the FCC Form 486 is 120 days from the date of this RFCDL or from the service start date (whichever is later).
- 2. **Invoice USAC**, if you or your service provider have not already done so. Work with your service provider(s) to determine if your bills will be discounted or if you will request reimbursement from USAC after paying your bills in full.
  - If you (the applicant) are invoicing USAC: You must pay your service provider(s) the
    full cost for the services you receive and file the <u>FCC Form 472</u>, the Billed Entity Applicant
    Reimbursement (BEAR) Form, to invoice USAC for reimbursement of the discounted amount.
  - If your service provider(s) is invoicing USAC: The service provider(s) must provide services, bill the applicant for the non-discounted share, and file the <u>FCC Form 474</u>, the Service Provider Invoice (SPI) form, to invoice USAC for reimbursement for the discounted portion of costs.
     Every funding year, service providers must file an <u>FCC Form 473</u>, the Service Provider Annual Certification Form, to be able to submit invoices and to receive disbursements.
  - To receive an invoice deadline extension, the applicant or service provider must request an
    extension on or before the last date to invoice. If you anticipate, for any reason, that invoices
    cannot be filed on time, USAC will grant a one-time, 120-day invoice deadline extension if
    timely requested.

## How to Appeal or Request a Waiver of a Decision

You can appeal or request a waiver of a decision in this letter **within 60 calendar days** of the date of this letter. Failure to meet this deadline will result in an automatic dismissal of your appeal or waiver request.

**Note:** The Federal Communications Commission (FCC) will not accept appeals of USAC decisions that have not first been appealed to USAC. However, if you are seeking a waiver of E-rate program rules, you must submit your request to the FCC and not to USAC. USAC is not able to waive the E-rate program rules.

- To submit your appeal to USAC, visit the Appeals section in the <u>E-rate Productivity Center (EPC)</u> and provide the required information. USAC will reply to your appeal submissions to confirm receipt. Visit USAC's <u>website</u> for additional information on submitting an appeal to USAC, including step-by-step instructions.
- To request a waiver of the FCC's rules or appeal USAC's appeal decision, please submit
  it to the FCC in proceeding number CC Docket No. 02-6 using the <u>Electronic Comment Filing</u>
  <u>System</u> (ECFS). Include your contact information, a statement that your filing is a waiver request,

**BEN:** 132953

Post Commitment Wave: 50

identifying information, the FCC rule(s) for which you are seeking a waiver, a full description of the relevant facts that you believe support your waiver request and any related relief, and any supporting documentation.

For appeals to USAC or to the FCC, be sure to keep a copy of your entire appeal, including any correspondence and documentation, and provide a copy to the affected service provider(s).

## **Obligation to Pay Non-Discount Portion**

Applicants are required to pay the non-discount portion of the cost of the eligible products and/or services to their service providers. Service providers are required to bill applicants for the non-discount portion of costs for the eligible products and/or services. The FCC stated that requiring applicants to pay the non-discounted share of costs ensures efficiency and accountability in the program. If using the BEAR invoicing method, the applicant must pay the service provider in full (the non-discount plus discount portion) **before** seeking reimbursement from USAC. If using the SPI invoicing method, the service provider must first bill the applicant **before** invoicing USAC.

## **Notice on Rules and Funds Availability**

The applicants' receipt of funding commitments is contingent on their compliance with all statutory, regulatory, and procedural requirements of the Schools and Libraries Program and the FCC's rules. Applicants who have received funding commitments continue to be subject to audits and other reviews that USAC and/or the FCC may undertake periodically to assure that funds that have been committed are being used in accordance with such requirements. USAC may be required to reduce or cancel funding commitments that were not issued in accordance with such requirements, whether due to action or inaction, including but not limited to that by USAC, the applicant, or the service provider. USAC, and other appropriate authorities (including but not limited to the FCC), may pursue enforcement actions and other means of recourse to collect improperly disbursed funds.

#### **Revised Funding Commitment Decision Comments:**

#### **Post Commitment Rationale:**

Our records show that your appeal was filed more than 60 days after the date your decision letter was issued. Your appeal was filed on 12/28/18. The Funding Commitment Decision Letter was issued on 12/29/17. Federal Communications Commission (FCC) rules require appeals to be filed within 60 days of the date on the decision letter being appealed. FCC rules do not permit the Universal Service Administrative Company (USAC) to consider your appeal.
